

TONUMFANG DER NORMALZITHER

The diagram illustrates the tonal range of a normal zither. It consists of two staves: the upper staff is labeled 'Griffbrett' (fretboard) and the lower staff is labeled 'Freisaiten' (free strings). The fretboard staff uses a treble clef, and the free strings staff uses a bass clef. The range is defined by the notes C, f', and d⁴ (four-sharped 'd').

Labels and annotations:

- Griffbrett**: Treble clef staff.
- Freisaiten**: Bass clef staff.
- bis**: Four instances of this label with arrows pointing to specific notes on the fretboard and free strings.
- c**: Note on the fretboard staff.
- f'**: Note on the free strings staff.
- d⁴ ('''') = (vier-gestrichenes „d“)**: Note on the free strings staff, indicating a four-sharped 'd'.
- F (Contra F)**: Note on the free strings staff, indicating a contra 'F'.
